

Hopewell LEPC 2009

Projects/Accomplishments

Community Involvement

Community Education/Involvement

- Hooray for Hopewell Festival
- Preparedness workshop planned, but postponed until 2010 to promote more participation.
- Webpage updated with yearly review from the last three years, and preparedness information
- Code Red and SIP pushed to the public through brochures, City Currents, etc.

Hopewell Local Emergency Planning Committee (LEPC)

Partnering for Emergency Planning and Safety!

The banner features a central image of a sunset over water with a person's silhouette. The top row of logos includes: Hopewell Emergency Management, Hopewell Community Center, Hopewell Fire Department, Hopewell Police Department, Virginia American Water, Virginia Department of Emergency Management, American Red Cross, HERCULES, and John Randolph Medical Center. The bottom row of logos includes: Honeywell, Hopewell Fire Department, Cogentrix, DuPont Teijin Films, SMURFIT-STONE, River View Apartments, EVONIK INDUSTRIES, and Hopewell Fire Department.

Training and Exercise

TEEX MGT-313

- Three day training/ tabletop exercise event
- Citywide involvement including both public and private partners involved in incident response.
- Good reviews by participants.

TEEX
Texas Engineering Extension Service

DHS/FEMA-FUNDED COURSES

🔥 + ⭐ 🚑 🏠

INCIDENT MANAGEMENT / UNIFIED COMMAND FOR CBRNE & TERRORISM INCIDENTS

MGT-313
National Emergency Response and Rescue Training Center

TEXAS ENGINEERING EXTENSION SERVICE

PLACE: The Beacon Theatre (Tentative) Hopewell

www.TEEX.org/ogt

NIMS Courses

- Made NIMS training available for LEPC members, including ICS-700, ICS-100, and ICS-200 in a combination online/classroom setting
- MGT-313 provided by TEEX met the requirements of ICS-300 for those who had the prerequisites.

Presentation by NWS Wakefield

- Bill Sammler of the National Weather service Wakefield gave a presentation to the LEPC.
 - Services provided to first responders
 - Services provided to anyone via open source website

Emergency Planning

Tier II review provided by Industries

- Industries took turns giving presentations at LEPC meetings throughout the year on:
 - Main EHS Materials
 - Locations
 - Safeguards in place
 - Answered questions

HAZ-MAT GIS Mapping

- Received HMEP Grant in December 2008 to complete project.
- Contracted with World-View Solutions out of Richmond to complete the data entry.
- Met with Industry partners to clear up any questions on hazard locations

HAZ-MAT GIS Mapping

- Fire and Emergency Management tailored data viewing to be first responder friendly.
- Maps to be downloaded to Fire department MDT's soon

Regional Collaboration

Regional Collaboration

- Attended Regional LEPC meeting in Chesterfield County
 - Presentation by Chesterfield EM
 - Exchanged ideas
 - Networked with other local LEPC's
 - Volunteered to host 2010 regional meeting in Hopewell
