  - “ Covered 6 main preparedness topics, and included shelter-in-place, emergency warning (CodeRED), etc.
  - “ Preparedness kits were distributed to each of the attending households

# Community Education/Involvement

- “ Hooray for Hopewell Festival Participation:
- . Emergency Preparedness, Shelter-In-Place, and Code Red information pushed to the public.
  - . Record number of Preparedness Guides distributed to the public at this year's event.

## Hopewell Local Emergency Planning Committee (LEPC)

✓ Get a kit

✓ Make a plan

✓ Stay informed

# Community Education/Involvement

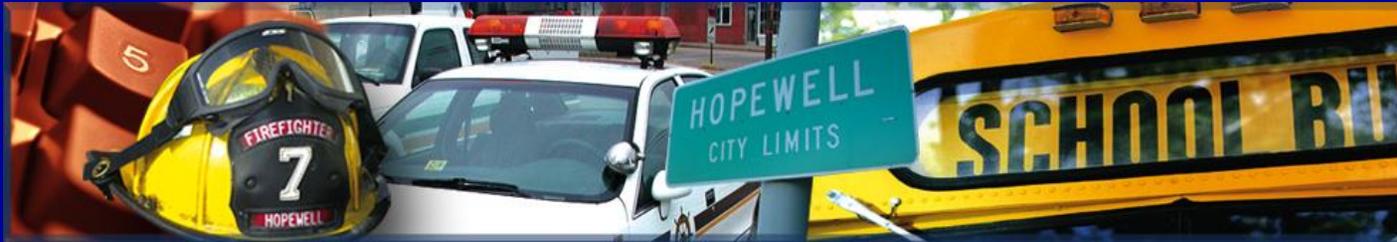

“ Hopewell LEPC and Industry members supported Hopewell Fire/Schools Coat Drive:

. Numerous coats were purchased for kids in need at:

- “ Patrick Copeland Elementary
- “ Harry E. James Elementary
- “ Dupont Elementary
- “ Woodlawn Learning Center

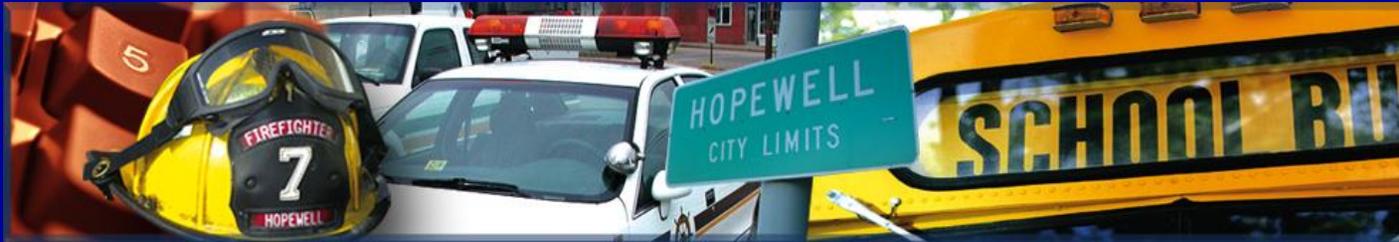

# Emergency Planning

# Emergency Planning

“ Applied for DOT grant funds to update the hazmat mapping project. Funding was denied, so the Committee approved spending \$3,000 of our funds to complete part of the project. Work will begin in 2015.

# Emergency Planning

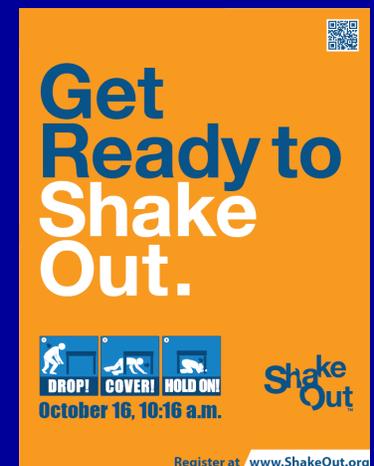

- “ Reviewed Strategic National Stockpile plan with Committee members.
- “ Reviewed Hopewell EOP and Hazmat Plan with Committee members. Offered copies of the plan to those who needed one.

# Training and Exercise

# Training and Exercise

- “ Participation in the Statewide Tornado Drill and the %Great shakeout+earthquake drill was conducted by a number of the LEPC members.
- “ A number of onsite visits of industrial sites were conducted by Hopewell Fire personnel.

# Training and Exercise

- “ An Operations Chief position specific class was developed (an 8 hour version) and conducted for first responders and their counterparts in industry.
- “ A number of site specific drills were conducted through the year at several facilities with Hopewell Bureau of Fire responders.

# Training and Exercise

“ Began an active shooter exercise series with a tabletop exercise in August. A number of topics were discussed, a few of those included:

- . Interdiction and disruption
- . Operational Communications
- . Public Information and warning
- . Operational Coordination

# Training and Exercise

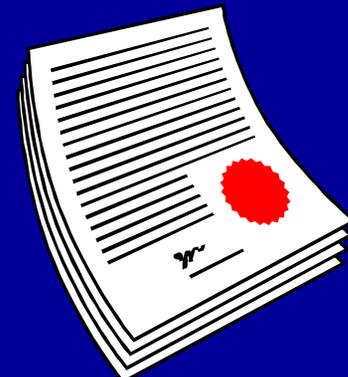

- “ Planning was begun on an industrial site bomb squad drill with State Police and the FBI.
- “ Date was set for February 24<sup>th</sup> 2015
- “ This drill will test several capabilities including:
  - . Bomb dogs
  - . Robots
  - . Interagency coordination

Administrative

# Administrative

- “ Membership Orientation Packets have been updated for new members
- “ Began process of re-signing the HENS MOU.
- “ Conducted membership outreach at several public events including Hooray for Hopewell.
