The Hopewell Community Center Presents: CHRISTMAS AT THE WHITE HOUSE

The Hopewell Community Center Presents: Christmas at The White House

December 3 or 4, 2014 (exact date TBA in November)

Visiting the *White House* in Washington, DC is a time honored and treasured holiday tradition. The custom of placing a decorated tree in the White House began in 1889 on Christmas morning during the Presidency of Benjamin Harrison. What began as a family gathering has become a national tradition. Over the years, the White House Christmas tree has reflected the times and tastes of the First Family. Today, the First Lady selects a theme and taps the talents of American artisans, who give life to the idea. Stroll through America's most prestigious and honored house and experience first-hand the beautiful trees and decorations this holiday season. This is a self-guided tour but secret service will be in each room to answer any questions. You will also have a chance this morning to visit the *White House Visitor Center*, adjacent to the White House, for a chance to purchase the 2014 White House Christmas Tree Ornament.

Due to the high security at The White House, everyone who wants to visit must provide the information on the attached sheet located. This information must be submitted at the time the reservation is made. We have requested multiple days in hopes of having a better chance to get in. You will be notified by telephone in November as to the exact date so please keep all of the above dates open on your calendar. If we do get in, at that time you will be asked to send in your payment. Please keep in mind that there is a good amount of walking included on this tour. From where you exit The White House it is approximately 3-4 block walk back to where the motor-coach has to park.

The afternoon will be spent at *Mount Vernon*. Beautifully decorated for the holidays, the Mansion looks much like it would have during George Washington's life. In the orientation center, visitors get an unprecedented look at furnishings, china, silver, clothing, jewelry, Revolutionary War artifacts, rare books, manuscripts and other personal effects of the Washington family. The centerpiece of a visit to this 500-acre estate is a tour through 14 rooms of the mansion, whose oldest parts date from the 1740's. Mount Vernon encompasses many memories and the fine tastes of both George and Martha throughout the entire estate. Visit *The Shops at Mount Vernon* during your stay. A plated lunch at the *Mount Vernon Inn* is also included.

Tour Cost Includes:

Round-trip Motor-coach Transportation, Visit to the White House, Lunch at the Mount Vernon Inn, Admission to Mount Vernon, Tax & Gratuity for lunch. Refreshments served on coach, and Driver Gratuity as well.

Cost Per Person: \$120.00

At this time - do not send your check. Please return the attached form to Aaron Clay. There is only space for 50 people so don't delay! You will be notified in November as to the date and at that time payment will be needed. Aaron Clay, Hopewell Community Center, 100 West City Point Rd., Hopewell, VA 23860

Swim Team NOVA South (previously VACS)

NOVA is a non-profit organization dedicated to the promotion of competitive swimming in Chesterfield County, the Tri-Cities and surrounding areas. NOVA offers instruction, training and competition to young people of all ages and abilities.

The NOVA program is divided into six practice groups and these groupings allow swimmers to train at their individual level of ability while striving to improve their physical conditioning and swimming techniques. Swimmers on NOVA range from beginners to National competition levels.

Coaches are Lauren McCCorey, and Shannon Royster. For more info go to www.swimvacs.org NOVA South (previously VACS) is a year round competitive swim team that is small enough to provide individualized attention but large enough to provide championship meet and national meet as well as college swimming opportunities. We accept all level of swimmers. The team is divided into groups including the following:

Novice - The Novice program is our introduction to year round, competitive swimming. It is designed for swimmers who enjoy summer league swimming and are interested in further developing their skills. As such, the fundamentals of swimming are stressed

NOVA Southcontinued

in this group but not at the expense of fun! The group is divided into Novice Silver and Novice Gold. Silver are expected to be able to swim a length of the pool unassisted, know freestyle and backstroke but are still learning butterfly and breaststroke. Gold swimmers know all four strokes and are working on cementing correct technique and working on longer distances.

Junior – The Junior group continues to build on the stroke and technique work of the novice group, and introduces more advanced training and racing skills to the swimmers. Goal setting and dryland are also introduced. The main goal of Junior group is to develop a love for the sport by teaching new skills and helping them to enjoy racing. Swimmers in the Junior Group must be proficient in all four strokes and turns.

Age Group Silver – This group is designed for swimmers 10- 13 who have developed consistent practice habits and a love for racing and are prepared to commit themselves, both physically and mentally, toward taking the next step in their development as an athlete. Stroke technique is still emphasized but swimmers are introduced to more physically demanding “training” that will allow them to compete at a higher level.

Age Group Gold – This group is designed for swimmers 10 and over who have proven they are ready for more demanding “training”, but more importantly want to train with more intensity. Swimmers in this group have been recognized by the coaching staff as potential State Championship qualifiers and as such the group will be working toward seasonal goals including scoring at the Championship meet. Generally swimmers must have at least 2 11-12 A times or 6 BB times to enter this group.

NOVA Southcontinued

Senior Silver – This group is designed for swimmers 15 and over who enjoy swimming but cannot commit the time to Senior Gold due to participation in other activities. The focus of this group is developing aerobic fitness and stroke technique.

Senior Gold– for swimmers 13 years and older, our most experienced group. Swimmers in this group must possess, more than anything, dedication to the sport of swimming and a willingness to challenge themselves to new levels everyday. Senior level swimmers practice 6 days a week and are expected to attend all offered practices. Generally, a swimmer must have at least one 15-16 AA time to enter the Senior Group but swimmers may also move up at the discretion of the coaching staff.

Would your organization/club/individual like to adopt one of our parks?

We are looking for more organizations/club/individuals to adopt one of our parks. By adopting a park, this helps us dress up our parks to make them more enjoyable for our community. We will place a sign with the name of the organization, club, or individual. If a big work day is planned we will provide one of our park crews to be on site as well.

If you are interested, please call Steve Howard, our Maintenance Specialist at 804-541-2353 or email him at showard@hopewellva.gov.
