

I cordially invite my constituents in Ward 7 to talk with me about any City issue. This will be your time to express your concerns, views and ask questions with your Councilor. Listening and capturing your views and comments are very important to me and will help me make more informed decisions that will better represent YOU!

I will make myself available every Monday evening beginning June 1st to July 27th from 6:30 to 8:30 p.m. You may call me or schedule a time to meet me in person. I want to know what's on your mind.

Let's get started and "Let's Talk!"
