

# WESTWOOD PARK CONCEPTUAL DESIGN

The renovated Westwood Park will feature a completely new play-ground area, paved walking trails, picnic pavilion, and enhanced landscaping. The project will focus on accessibility and inclusion, while creating a safe space for families to be active and enjoy the outdoors.

## Play Space

- Accessible (ADA Standards)
- Inclusive
- Climbing structures for separate age groups
- Freestanding play elements
- Expression swings
- Zero G swings
- Belt swings
- Shade structure

## Picnic Pavilion

- 24' x 24' metal structure
- Concrete pad
- 110 V standard electrical outlet
- Four picnic tables
- Accommodates groups up to 24 people

## Walkways

- Eight-foot walkway encompassing entire park boundary
- Connector trails for accessibility
- Curb ramps for accessibility
- Designated handicap parking

## Additional Improvements

- Updated signage
- Landscaping (trees, shrubs, flowers)
- Security camera system
- New practice field backstop
